ENGRAVED BRICKS

Planting Fields is a place of lasting memories. Whether you first visited as a child, with your children, for your wedding photographs or on a getaway, Planting Fields lingers in the heart and in the mind. Purchase a brick for yourself, your children and loved ones or in honor of someone dear. The bricks are installed in the main courtyard of the Visitors Center and the colors echo the slate roof of the historic Hay Barn in hues of grays and rose.
