1-4: Good job! You know the basics. Now's your chance to take a peek at some of the other varieties in your neighborhood. Think how fun it will be to impress your neighbors with your tree knowledge! Make up a poem about your favorite thing to do outside. Do you play tag and the tree is base? Have you ever been on a swing tied to a tree? Tell us about it!

5-8: Great work! You're a budding arborist. Share some of your favorite tree facts with your friends. What are the best trees to climb? Which have the best fruit? The prettiest blooms? If you're really feeling fun, make up a little song!

9-12: Incredible! Do you live on a tree farm?! Nicely done. Draw a picture of your favorite season. How do the trees look? Which animals call them home? What seasons are your friend's favorites?

13-16: Amazing! You are a true tree detective!! Are you sure your middle name isn't 'Arbor'? Make yourself a #1 Tree Detective badge and wear it proudly around the house. Use your vast knowledge to inspire your friends. You can check out [www.arboday.org](http://www.arboday.org) for all of the tree info you could ever want!

Happy Arbor Day, friends!
