Directions

1. **Print out the flower cards**
2. **Tape them to the floor in the room you will be playing in**
3. **Ask the players to spread out around the room**
4. **When the music starts, players should “buzz” around the room like a bee!**
5. **Each player should stop on a flower when the music ends. Which bee is lucky and which will be sent back to the hive?**
6. **Remove a flower after each bee goes back to the hive until you have one bee still buzzing!**
