

# Spring Sensations

## Guide to Planting Fields: March and April 2024

**Planting Fields is springing into action!** To help you plan your next visit, we've created a guide to our top five seasonal to-dos and events in March and April.

### 1. Play Bloom Bingo all spring long

The awakening of spring flowers is upon us - See how many different blooms you can find each time you visit throughout the season!

*Click [here](#) to download a printable version.*

### 2. Immerse yourself in imagination

View the ornate walls of Mai Coe's bedroom, and allow your creative side to explore a world of fantasy inside the Main House.

*Tours of the Main House will resume this spring.*

### 3. Events and programs galore

Public programming at Planting Fields goes full throttle in April, with inclusive children's workshops, a 5K run, Arbor Day Festival, and more!

*View a full line up of events you do not want to miss [here!](#)*

### 4. Birding beyond belief

Relax in the Bird Sanctuary and find a flurry of avian friends fluttering about!

*A little birdy told us that spring migration will take place in our area March - June!*

### 5. Be awed by magnificent cherry blossom blooms

The grounds of Planting Fields will be a sea of pink this March and April. See our collection of cherry blossoms bloom before your very eyes!

*The peak bloom is anticipated to occur mid-April.*
