

Explore Planting Fields!

See just how good your investigator skills are and find various places at Planting Fields to explore with your family!

Can you find...

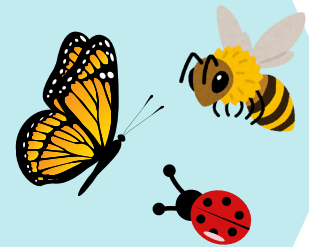

The Main Greenhouse

The Main Greenhouse houses tropical plants! There are many cacao plants in here. Can you find a cacao pod?

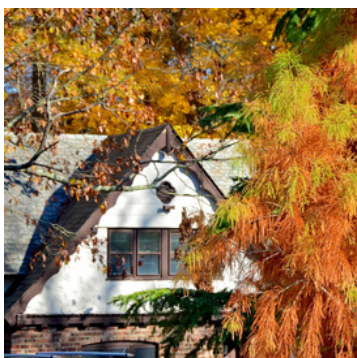

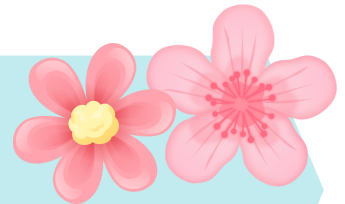

The Blue Pool Garden

The Blue Pool Garden is full of flowers! Flowers bring pollinators to our park. Can you find a pollinator?

The Playhouse

The Playhouse is famous for its pink color! Can you find any pink flowers nearby?

The Education Center

We have multiple gardens surrounding the Education Center. Can you find our Vegetable Patch?

For more information on upcoming events and to register, scan the QR code, or visit plantingfields.org!
