

# Make a Bee Hotel!

**Education Center**  
*Explore. Imagine. Design. Play.*

**What is a bee hotel?** Bee hotels are the insect equivalent of a birdhouse. These structures provide nesting spaces for certain solitary bees and wasps. Bees are very efficient pollinators and it is important that we support them when we can!

## Materials:

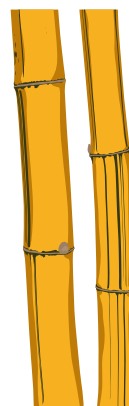

Plastic Bottle

Scissors

String/Twine

Bamboo Shoots

OR

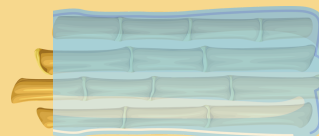

Rolled Paper

## Instructions:

- 1 Cut off the top (lid) half of your plastic bottle.

- 2 Measure and cut your bamboo shoots to fit inside your bottle. You can also use rolled up paper.

- 3 Tie your twine/string around your bottle and hang in a sunny, dry, sheltered spot.
