

Independence Day Adventure

Start Your Adventure Here!

Celebrate Independence Day all July-long with a self-guided scavenger hunt across the grounds of Planting Fields! Each stop reveals a story of independence, resilience, and the natural world—woven through our historic landscape.

Your Goal:

Find 5 stops, collect a letter at each one, and unscramble the mystery word. Then return to the Visitor Center (open Friday – Sunday from 10am – 4pm) and enter the word into our alphabet-lock box to claim your prize:
a vintage Planting Fields postcard!

How It Works:

1. Your first clue is below—use it to find Stop #1.
2. At each stop, look for a QR code sign to scan.
3. The page will give you your next clue and a letter.
4. Keep going until you've collected all 5 letters.
5. Unscramble the final word and return to the Visitor Center!

Your First Clue:

*"They came in spring and fall to this grand estate,
With gardens in bloom and time to celebrate.
A house of stone, both bold and wide—
Start your quest where the Coes once arrived."*

(Hint: Head to the front entrance of the Main House!)

Prize Info:

The final word opens a letter-lock prize box at the Visitor Center. Inside: vintage postcards from the archives—yours to keep!
